BIOFIL® MINI™ are designed for liquid handling in limited working spaces such as a biological safety cupboard. Only 235mm long, they're ergonomically easier to use and work with.

- Available individually wrapped in an easy opening paper/plastic wrapping with lot number traceability.
- Inner boxes have been especially designed for benchtop dispensing with a removable perforated front panel.
- Also available in easy to open bulk bag pack.

### ACCU-JET® 'S' Pipette Controller, 0.1 to 200mL, 0.2um filter.
